Haggard & Stocking represents over 750 premier manufacturers and maintain a multi-million dollar inventory, along with a sales team trained to assist in the most technical applications including engineering. Our technical support and value-added services provide the latest technology and products to maximize hard and soft cost savings and drive down labor expenses.

In today’s evolving industrial marketplace, you need a supplier that is positioned to provide not only the most advanced products and technical support, but also one that is flexible and can provide a wide range of value-added services. Since 1972, Haggard & Stocking has prided itself on doing just that. We supply a wide range of perishable tooling, material handling products, related MRO products, and Safety & PPE products from top manufacturers to our clients. Plus, our Best-in-Industry procurement solutions make us uniquely qualified to help drive down your total cost of doing business.

**Who We Are & What We Do**

**INDUSTRIAL TOOLING**
Haggard & Stocking represents over 750 premier manufacturers and maintain a multi-million dollar inventory, along with a sales team trained to assist in the most technical applications including engineering. Our technical support and value-added services provide the latest technology and products to maximize hard and soft cost savings and drive down labor expenses.

**FASTENERS**
We are a full-service fastener distributor offering everything from structural, stainless steel, socket products, standard & custom shapes & sizes, as well as inventory systems.

**MATERIAL HANDLING**
Haggard & Stocking added the Material Handling division in 1992 and continues to offer expertise in many applications including moving and lifting, and storage and organization. While we keep many systems in our inventory, custom-designed solutions are always available.

**SAFETY & SOLUTIONS**
We offer a unique customer experience that combines a showroom with off-the-shelf safety equipment available for immediate purchase, as well as specialty consulting and training from an in-house certified instructor with experience in many areas such as: Hazardous Energy (LOTO), Fall Protection, Hot Work, Respiratory Protection, Confined Space, Trenching and Excavation, Job Safety Analysis, and PPE.

**INDIANAPOLIS WELD CENTER**
Our Lenox Certified Weld Center provides factory-certified Lenox Bandsaw Blades in just a one-day turnaround time. We keep a variety of coil stock on hand for many types of applications. We also offer expedited 2-hour turnaround for emergencies.

**DYNAMIC PRODUCTS & SERVICES**

**PROCUREMENT SOLUTIONS**

**INTEGRATED SUPPLY**
This full-service support offers the most seamless delivery of your tooling needs, as well as vending, comprehensive reporting, and optimization of your processes.

**STOCKING AGREEMENTS**
Our most basic cost-savings offering is a Stocking Agreement, allowing optimal pricing with minimal risk through leveraged buying power and consolidated invoicing.

**REPORTING**
With second-to-none reporting capabilities, we ensure you are always in control of your budget and inventory, prepared for corporate audits, as well as changes in demand.

**VMI PROGRAMS**
With fully managed MRO products, Haggard & Stocking conducts vendor & product usage evaluations and then streamlines delivery utilizing our dedicated inventory support staff, significantly lowering operating costs.

**VENDING & TECHNOLOGY**
Utilizing ScanSys™ barcoding, RFID, swipe-card, automated vending, bin stocking, and web-based ordering, Haggard & Stocking offers custom solutions scaled to fit your needs with the latest technology.

**VALUE ADDED VENDING SERVICES:**
- On-site Installation and Training
- Machine Maintenance and Repair
- Software and Database Support
- Bar-Fee Productivity
- Security at Every Level
- Total Accountability
